Detail may not add to total because of rounding.

The benchmark range is for total taxes.

¹ The benchmark range (which is for total taxes) establishes the rate at which revenue should be received over the year to reach the annual estimate.

² Section 23 of Chapter 127 of the Acts of 1999 and certain borrowing covenants mandate that starting in FY2001, 20% of collections from Sales-Regular, Sales-Services and Sales-Motor Vehicles be transferred to the non-budgetary MBTA State and Local Contribution Fund each month. Figures shown include quarterly adjustments to raise the amounts to the 'base revenue amounts' as certified by the Comptroller.

³ Pursuant to sections 521 and 522 of Chapter 26 of the Acts of 2003, total taxes for budget exclude special receipts collected after August 1, 2003 for the Convention Center Fund under Chapter 152 of the Acts of 1997 as amended.

⁴ Chapter 210 of the Acts of 2004 established the School Modernization and Reconstruction Trust Fund, to which certain amounts of sales and use tax revenue are credited beginning in FY 2005.

¹ Income Tax and Corporate estimated payments and refunds include all credits to estimated payments:

² Section 23 of Chapter 127 of the Acts of 1999 and certain borrowing covenants mandate that starting in FY2001, 20% of collections from Sales-Regular, Sales-Services and Sales-Motor Vehicles be transferred to the non-budgetary MBTA State and Local Contribution Fund each month. Figures shown include quarterly adjustments to raise the amounts to the 'base revenue amounts' as certified by the Comptroller.

³ Pursuant to sections 521 and 522 of Chapter 26 of the Acts of 2003, total taxes for budget exclude special receipts collected after August 1, 2003 for the Convention Center Fund under Chapter 152 of the Acts of 1997 as amended.

⁴ Chapter 210 of the Acts of 2004 established the School Modernization and Reconstruction Trust Fund, to which certain amounts of sales and use tax revenue are credited beginning in FY 2005.
